7 January 1980

MEMORANDUM FOR: Special Assistant to the DCI for Compartmentation  
FROM: Director of Central Intelligence  
SUBJECT: APEX

1. Thanks again for the great job on getting APEX through its last hurdles. I didn't have much time to react last Friday, but it looks to me as though we are off and running just as we wanted to be. ☐

25X1

2. Do we still have to get a Presidential signature to cancel the TK system or is what Brzezinski is going to do adequate? ☐

25X1

3. What do we need to do now about notifying Congress and ☐
